13 January 2014

EuSEM endorsement of ISAEM

Dear founders of the International Student Association of Emergency Medicine,

On behalf of the European Society for Emergency Medicine I would like to express my support for the newly launched International Student Association of Emergency Medicine. Your aims for coordinating and encouraging medical student organisations, in particular in the field of Emergency Medicine, are very much in the spirit of the aims of EuSEM. We are pleased that the members of the EuSEM Young Emergency Doctors Section are involved with ISAEM already.

We wish you much success in your endeavors and the necessary commitment, determination and resolve to see your vision realised.

Best regards,

Dr Barbara Hogan
President of EuSEM
